

Participation Statement

“The British Mountaineering Council recognises that climbing and mountaineering are activities with a danger of personal injury or death. Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement.”

Indoor climbing is a physical and demanding sport, which obviously has inherent hazards associated with it. Whilst Dart Rock Climbing Centre (Ecwall Project Ltd) take all necessary precautions to try and ensure the safety of all participants, unfortunately accidents will occur in consequence. Each participant should familiarise themselves with the hazards and try and minimise these as much as possible by complying with Dart Rock Climbing Centre (Ecwall Project Ltd) risk management guidelines. The management accepts no responsibility whatsoever for any loss or injury resulting from any persons' involvement in indoor climbing. Furthermore, it is understood and agreed that individuals participate at their own risk. Your signature below indicates you agree to use Dart Rock in accordance with these terms.
